Dear Mr. Curti:

Tulare County Association of Governments approves the following Amendment to the Federal Transportation Improvement Program. The following Amendment will be known as **Amendment No. 24** to the 2004 FTIP amending the **Federal Transit Administration (FTA) 5307 Program**. This project request is for an administrative amendment.

"The project(s) included in the FTIP by this amendment has/have been demonstrated to satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Accordingly, the Project(s) has/have been included in the regional emissions analysis of the Regional Transportation plan's regional emissions at the time of the transportation plan's conformity determination, and that the design concept, scope, and implementation schedule of the project(s) is/are not significantly different from that described in the transportation plan. In addition, the funding or the project(s) will not delay the implementation of projects in the metropolitan transportation plan or FTIP."
